The 6th International Conference and Exhibition on

Device Packaging

The Sixth Annual Device Packaging Conference (DPC2010) will be held in Scottsdale, Arizona, on March 8-11, 2010. It is an international event organized by the International Microelectronics And Packaging Society (IMAPS).

The conference is a major forum for the exchange of knowledge and provides numerous technical, social and networking opportunities for meeting leading experts in these fields. The conference will attract a diverse group of people within industry and academia. It provides a chance for educational interactions across many different functional groups and experience levels. People who will benefit from this conference include: scientists, process engineers, product engineers, manufacturing engineers, professors, students, business managers, sales and marketing.

The 2010 Device Packaging Conference and Exhibition will again be at the

Radisson Fort McDowell Resort and Casino, Fountain Hills/Scottsdale, AZ

where we will be limited in booth space. It is in your best interest to reserve early.
