Medical Devices Workshop Focus: The objective of the Medical Devices Workshop is to have a forum that brings together scientists, engineers, manufacturing, academia, and business people from around the world who are working in the area of electronic packaging for various types of medical devices. This workshop has been specifically organized to allow for the presentation and discussion of the current electronic packaging trends and issues affecting a wide variety of medical applications. **Abstracts are being requested on the following topics:**

- Implantable device technology and trends
- Imaging and Biosensors
- MEMS/Nano Technology
- Hearing/Vision Aids
- Neurological Devices
- Blood Diagnostics
- Disposable Electronics
- Biometric Identification
- Wireless/RF Telemetry
- Microfluidics
- Environmental Constraints for Medical
- Biocompatibility of Materials
- Reliability Assessments
- Qualification Approaches
- RoHS Compliance & Regulations
- Outsourcing Issues

Those wishing to present in the Medical Devices sector of the Device Packaging Conference must submit a 200-300 word abstract electronically **by December 5, 2008**, using the on-line submittal form at: www.imaps.org/abstracts.htm. No formal technical paper is required. A reproduction-ready two- to six-page concise summary with text (figures and graphs included if necessary) will be required for the abstract booklet on Friday, January 30, 2009. A post-conference CD containing the full presentation material as supplied by authors will be mailed 15 business days after the event to all attendees. Please contact Jackki Morris-Joyner by email at jmorris@imaps.org or by phone at 305-382-8433 if you have questions.

Device Packaging Exhibit and Technology Show: IMAPS will hold a concurrent exhibition for vendors and suppliers who support the many aspects of Medical Devices. This venue features an ideal atmosphere to showcase your products and services to key decision making professionals in the industry. Full 8' by 10' exhibit spaces will be available. To reserve booth space please fill out the on-line submittal form before February 4, 2009 at: www.imaps.org/devicepackaging or contact Ann Bell by email at abell@imaps.org or by phone at 202-548-8717.

Device Packaging Professional Development Courses (PDCs): For those wishing to broaden their knowledge of device packaging, a selection of half-day courses will be offered on Monday, March 9th, preceding the technical conference. If you would like to participate as an instructor, please submit a description of your short course to Jackki Morris-Joyner by email at jmorris@imaps.org **no later than December 5, 2008.**
