### Dear Potential Exhibitor,

You and your company are hereby invited to participate in the exhibition during the 2008 annual IMAPS Nordic conference held at hotel Marienlyst, Helsingør, Denmark. IMAPS Nordic has reserved a block of rooms to a lower rate than the standard. The conference is designed to give maximum interaction between the delegates and the exhibitors.

The exhibition is located in a more than 200m<sup>2</sup> large area outside the two conference rooms. From the entrance of the conference area to the session rooms A and B you will have to walk through the exhibition area. Social functions like coffee breaks and lunches are aimed to take place in the exhibition area.

- This year we try something new and simple: we will offer **table-top** exhibits only. You will have one draped table, two chairs, 230V power supply. Area about 1.5m (wide) x 1.5m (deep). No walls will be offered. You are welcome to bring your own if the total width will be less than 1.5m. As a result, prices have been adjusted accordingly
- Each exhibitor will furthermore get **one** conference seat (which **includes proceedings and all meals**) included in the exhibitor price (value about 700 €). The person utilizing this allowance must register to the conference. Additional meal tickets and/or conference seats can be purchased.
- Your exhibitor PR-info will be presented in the conference program. In the Monday program an exhibitor session is planned, where exhibitors may present themselves and their products (maximum one minute each).

This is the best opportunity for you to reach the microelectronics, packaging and SMT manufacturers and users in the Nordic area.

### Conditions for Display

1. IMAPS Nordic reserves the right to allot the tables to companies.
2. The number of tables is limited and will be allotted chronologically according to receipt of payment.

4. Neither IMAPS nor the Display Centre will be liable for any injury, loss, or damage that may occur to employees or to property of companies.
5. In the event that the Conference and Display fail to take place or are interrupted or discontinued due to strikes, lockouts, injunctions, acts of war, Act of God, government emergencies or any other reason, this contract may be terminated by IMAPS. In this case companies will waive all damages and claims against IMAPS. The sole liability for IMAPS shall be to return the company the payment - minus a pro rata share of all costs and expenses incurred and committed by IMAPS.

Exhibitors must hold, keep and save harmless and indemnify IMAPS and the Display Centre from any such claims for loss, damage, or injury.
8. IMAPS reserves the right to make slight changes in exhibit space assignments, if necessary at a later date.
9. For cancellation 1 month before the exhibition a fee of 20% of the price for a table will be charged.
