Dear Potential Exhibitor,

You and your company are hereby invited to participate in the exhibition during the 2009 annual IMAPS Nordic conference held at the Quality Hotel, Tønsberg, Norway. A map and detailed transportation information will be forwarded to you when you order. The conference is designed to give maximum interaction between the delegates and the exhibitors.

The exhibition area is a 150m² area close to the hotel lobby. The conference halls are located close to the exhibition. Social functions like coffee breaks and lunches will take place in the exhibition area.

- Each exhibitor stand will have **one** conference seat per stand (which **includes proceedings and all meals**) in the exhibitor price. The person utilizing this allowance must register to the conference (value about 700 €.) Additional meal tickets and/or conference seats can be purchased.
- The stand will be 1.5m (wide) x 1.5m (deep) and includes 230 V power supply, a table and two chairs. Exhibitors are free to use roll-ups or similar as part of their stand. Please notify the exhibition host if you have any special needs (walls, extra power for equipment, or similar).
- Your exhibitor PR-info will be presented in the conference program. In the Monday program an exhibitor session is planned, where exhibitors may present themselves and their products (maximum one minute for each exhibitor stand).

This is the best opportunity for you to reach the microelectronics, packaging and SMT manufacturers and users in the Nordic area.

The schedule (tentative)

Early (Friday) incoming shipment may be stored at the conference center. Please notify the exhibition host in good time.
