

HiTEC 2006

HiTEC 2006 continues the tradition of providing the leading biennial conference dedicated to the advancement and dissemination of knowledge of the high temperature electronics industry.

Under the organizational sponsorship of the International Microelectronics And Packaging Society, HiTEC 2006 will be the forum for presenting leading high temperature electronics research results and application requirements.

It will also be an opportunity to network with colleagues from around the world working to advance high temperature electronics.

Additionally, IMAPS will hold a focused table-top exhibition for suppliers who support the use of high temperature technology.

This venue features an ideal atmosphere to showcase your products and services to key decision-making industry professionals.

Papers will be presented in:

- Applications
- Device Technologies
- MEMS & Sensors
- Packaging
- Circuits
- Energy Sources
- Passives
- Reliability

There is limited exhibit space; sign-up early to guarantee a spot and Save money.

Marketing Feature Available for Exhibitors

IMAPS will extend to all exhibitors an opportunity to provide an unlimited amount of pages of company products, services and contact information to be included in the Technical Proceedings CD-ROM. These CD-ROMs are provided to all technical conference attendees and are for sale through IMAPS to all industry professionals.

This new and unique feature will promote an unlimited amount of promotional material for the Exhibitor's products and abilities much longer than just the Conference.

There is a charge of \$50 for this optional feature.

Submissions must be sent electronically in one (1) file, either PDF or Word, that is easy to open, not password-protected and in a logical format. Any materials not sent in the required format or that arrive after the deadline, may not appear on the CD-ROM and no refunds will be made. **Send files to abell@imaps.org on or before April 28, 2006.**
