International Symposium on Microelectronics

IMAPS 2002 is the world's largest symposium and exhibition related to the microelectronics/packaging industry. IMAPS 2002 will feature a powerful technical program, progressive professional development courses and many forums to share the latest developments.

Reasons You Should be a Sponsor

IMAPS 2002 will attract 5,000 customers under one roof.

The Western half of the United States contains high concentrations of government and private entities that you need to impact in North America, Canada, and the Pacific Rim..

Your company's name will be prominently displayed to this large audience of interested attendees.
