The aforementioned paper is hereby transferred to the International Microelectronics And Packaging Society (IMAPS), effective on the date the manuscript is accepted by IMAPS for printing in any of its publications. For authors who are employees of the U.S. Government, its contractors, or grantees, IMAPS recognizes the right of the U.S. Government to retain a non-exclusive, royalty-free license to use the author's copyrighted manuscript for U.S. Government purposes.

In signing this Agreement:

1. You hereby warrant that this Paper has not been published before and is not being considered for publication elsewhere in its final form either in printed or electronic form;
2. You hereby affirm that you have obtained copyright permission to reproduce in this paper material not owned by you, and that you have acknowledged the source;
3. You hereby affirm that this paper contains no violation of any existing copyright or other third party right or any material of an obscene, or unlawful nature;
4. You hereby affirm that in the case of a multi-authored paper you have obtained authorization to enter into this Agreement on their behalf;
5. You will indemnify and keep indemnified the International Microelectronics And Packaging Society and its Editorial Boards against all claims and expenses arising from any breach of this warranty and the other warranties on your behalf in this Agreement.
6. You authorize IMAPS to publish this work in the above Journal, which may be sold or distributed, on its own, or with other related material;
7. You authorize IMAPS to publish this work in other books or edited compilations, or to reproduce and/or distribute throughout the world in any medium and in all languages, and to authorize third parties to do the same; and
8. You authorize IMAPS to use any images from the paper on the cover, website or in any marketing materials.
