

Attendee Profile (Help IMAPS Provide a Better Service to You!)

1. What is your current primary job role for your company, organization or institution? As members often wear more than one hat, choose the category that best describes what subject occupies the largest percentage of your working time. [*Check only one category, please, as the most relevant description. If you know that your role within your organization is changing in the near future to a new area, please select only that new area.*]
